FIFTEEN CENTS

Paulausky To Stay at Grass Lake

The superintendent of the Grass Lake grade school district, Eugene Paulausky, has decided to stay.

The school board plans to extend his contract, and the four board members who were talking about quitting said they will remain on the board.

Dr. Paulausky's contract expires June 30 and there were rumors he planned to leave because of some letters and phone calls criticizing his work.

The school board backed him up and four members said they would quit, too.

But a parents' rally was held at the school last week with students and parents urging Dr. Paulausky to stay.

"The board and I sat and talked for hours," he said. "We decided the support far outweighed the opposition. In a letter to the parents I stressed that it is the students we have to consider and we should seek the support of all members of the community. I hope we can all work together for the good of the students."

In his letter, Dr. Paulausky added:

"Concerning my reason for rescinding my resignation, I would just like to say it was strongly influenced by community and student support. If I

2 Cases of Vandalism

Two cases of vandalism in the Oakwood Knolls subdivision were reported to Antioch police late last week.

A cherry bomb was used to damage mailboxes at 292 and 293 Maplewood Dr.

In another incident, an 8-foot section of fence was damaged in the yard at 496 Maplewood.

2 Serious Fires Here

The Antioch fire department was called out last Wednesday night to fight a blaze at a trailer at 573 Highland.

"THE OUTSTANDING Girl in the Class of 1976," picked by the Antioch American Legion, was Chris Lindberg. She and Greg Nordstrom also won "outstanding girl and boy awards" from the Antioch Woman's Club.

BY FAR ONE OF THE MOST elaborate bicentennial displays built by an Antioch resident is the red, white and blue "eye-catcher" that decorates the front lawn of John Klecki's residence at 350 North Ave. Mayor Robert G. Wilton happened to be in his Abraham Lincoln costume, so we thought it was an appropriate time to pose him along with Mr. Klecki and his remarkable project.

Top High School Students Are Honored at Year's End

Parents, teachers and friends of Antioch High School's outstanding students enjoyed a breezy and interesting honors program at the school last week.

Many of the awards were presented by local citizens and representatives of various organizations. Others were given by Arthur E. Blecke, the school's principal, and Edward L. Kurek, director of curriculum and guidance, who kept the program moving in a casual and pleasant style.

ONE OF THE highlights was the remarkable total of 64 students who have maintained a perfect 4.0 (straight A) average for four years.

Honors bestowed upon students included:

American Legion, Outstanding Girl - Class of 1976 - Christina Lindberg; Outstanding Boy - Class of 1976 - Greg Nordstrom; Boys' State Brian Kovach, Alternate - Tony Mayer.

American Legion Auxiliary: Girls' State - Susan Rathman; Antioch Women's Club, Outstanding Girl and Boy - Class of 1976 - Christina Lindberg and Greg Nordstrom.

Alice E. Smith Scholarship - Elin Bolt.

Summer Scholarships - 1976:

OUTSTANDING Boy of the Class of 1976" Greg Nordstrom. Above, Greg also receives an army ROTC scholarship from Lt. Col. Donald Fish of Loyola University.

Art Federation - Jeanne Ellsworth and Richard Hoehne. Chorus - Sherry Pechulis and Michael Wudtke. Band - Brian Kovach and Peter James. Conservation - Beth Ott and Laurie Jereb.

Bike Rodeo Saturday

A "Community Bike Rodeo" will be sponsored this Saturday by St. Peter's Women's Club.

The rodeo and registration will begin at 9 a.m. under the direction of Sue Koppa of the Antioch parks and recreation board.

The fee is 50c and the event will last until 12 noon. The program begins at 9 with a movie on bike safety. Members of the Antioch Bike Club will inspect all bikes.

The event will be held on the St. Peter's schoolgrounds and in the social center.

Veterans' Parade Is Sunday

The veterans organization of Antioch, the American Legion and VFW posts, will sponsor a parade in memory of deceased veterans on Sunday.

Step-off time will be at 1:30 p.m. at the Antioch High School parking lot.

Mr. L. Watts of Chicago will be master of Ceremonies and speaker. About 23 organizations and two bands will participate.

Past Commander James Ferrier will be parade marshal and can be contacted at 395-2631.

CLC Phone Registration Ends Thursday

The College of Lake County has changed its dates for telephone registration.

Persons planning to attend the college's summer session must call today (Wednesday) or Thursday.

It was previously announced that telephone registrations would be accepted through Saturday, but now Thursday is the deadline.

The hours are from 10 a.m. to 2 p.m. and again from 4 to 7 p.m.

Students should dial only the special registration number, 223-8124.

Anyone who does not have a copy of the summer class schedule can obtain one from the CLC admission office.

The summer session starts Monday, June 7.

RON HELLSTERN

'Coach of Year'

Ron Hellstern, a 1964 graduate of Antioch High School, was voted "Basketball Coach of the Year" by coaches and sports-writers of Idaho's Fifth District.

Hellstern, a third year coach at Marsh Valley High School, led his team to the best record in the school's history. The Eagles were champions of their conference and rated No. 1 in the state of Idaho by the Associated Press. They concluded their season by winning the Fifth District tournament and advancing to the state tournament where they finished third with a record of 22-4.

Since 1968 Hellstern has been coaching on the junior high, senior high and collegiate levels in various sports. He is presently physical education director and basketball coach at Marsh Valley, but also taught and coached in Waukegan and Antioch, Weber State College and Utah State University where he earned a master's degree in Physical education.

Jail Inspection Report Ready

Grace Mary Stern, county clerk, has announced that the report of the State Department of Corrections' annual jail inspection is available for public perusal in her office.

The inspection took place in April and included interviews with Sheriff E.J. "Chick" La-Magdeleine.

Illinois law requires that the report of inspection, and the state's findings and recommendations, be made available to the public in the office of the county clerk.

BARRY GOLDWATER

Governments Rejecting Socialism

By SEN. BARRY GOLDWATER

Despite the trouble this nation is having because of deficit spending, most American liberals are still pushing for an expansion of welfare state socialism.

To hear some talk, you'd think this approach had never been attempted in other countries of the free world in this period of history. Well, as Will Rogers used to say, let's look at the record.

IN RECENT elections conservative forces have scored smashing victories in Australia, New Zealand and Canada's far western province of British Columbia. In all cases the victories were regarded as a result of mass dissatisfaction

with socialist governments in these regions. Whether this spells a world-

wide trend against the total state ownership exemplified by socialism in government, it is perhaps too early to tell. But the size of those victories suggests strongly that the voters have had more than a bellyful of the welfare state and socialism. What's more, they show the disenchantment with socialism among the voters caused by the very same reasons that most Americans are expressing disgust with massive welfare, deficit spending, inflation and big government in this country.

LET ME emphasize that it would be risky to read too much significance for the U.S. political scene in the voting of other countries. They have many problems that differ from our own, however, fundamentally the issues are the same. These issues relate to whether an impersonal bureaucracy in Washington is better able to manage the affairs of the individual than political subdivisions closer to home.

It is encouraging to realize that nations that have had more experience with socialism than we have are beginning to realize what a futile approach it is to government in affairs of the people.

blamed a propane gas leak and estimated the damage to the trailer at \$1,000.

Last Wednesday afternoon, the Antioch department responded to a call on Woodbine Ave., in the Channel Lake area.

Heavy damage was done to the upstairs of the residence, owned by Harold Dobson. Dobson's small son suffered some first and second degree burns on the arms and face and was taken to a Waukegan hospital.

Dobson told Chief Maplethorpe he was sleeping in another bedroom when he smelled smoke, ran to the boy's bedroom, which was on fire, and scooped him up and took him outside. The rescue squad was called to treat the lad. Cause of the fire is still undetermined.

The Antioch firemen now have made 86 calls so far this year.

The Time Machine

70 YEARS AGO: MAY 24, 1906

At about 3:15 Saturday morning the people of Antioch, and those living as far south as Austin, Cook County, were suddenly awakened from their slumber by two terrific reports which shook houses, rocked beds and rattled dishes, the cause being the explosion of the powder mills at Pleasant Prairie, Wis. The reports were loud and seemed to be in the very center of our village, many thought the bank was being robbed and grabbing firearms ran into the street, while others were sure that it was an earthquake.

20 YEARS AGO: MAY 24, 1956

A circus is coming to town! For the first time in several years Antioch will have a tent circus for its entertainment. Millers Brothers Circus, Inc., with headquarters at Weare, Tenn., will give afternoon and evening performances on the Ackerman lot on Broadway Saturday, June 2.

Don't miss the Grand Opening of Antioch Recreation, Inc., on Rte. 173, 1/4 mile west of Antioch, Friday and Saturday to celebrate bowling at its best. We're proud of our new AMF automatic pin spotters, the newest in air-conditioning, and complete refinishing of our 12 modern Brunswick lanes.

10 YEARS AGO: MAY 26, 1966

An assorted crew of officials, village workers, storeowners and just plain townspeople answered Mayor Ray Toft's call for help in cleaning up the area behind the Main Street stores last Thursday night.

Since both Memorial Day and the Fourth of July fall on Sundays this year, the federal observance of both holidays will be on the Monday following (May 31 and July 5).

Most Antioch stores are expected to observe Sunday store hours both days (10 a.m. to 2 p.m.).

The deadline for entering the annual Shopping Spree is next Tuesday, June 1. Please call the Chamber office if you would like to participate.

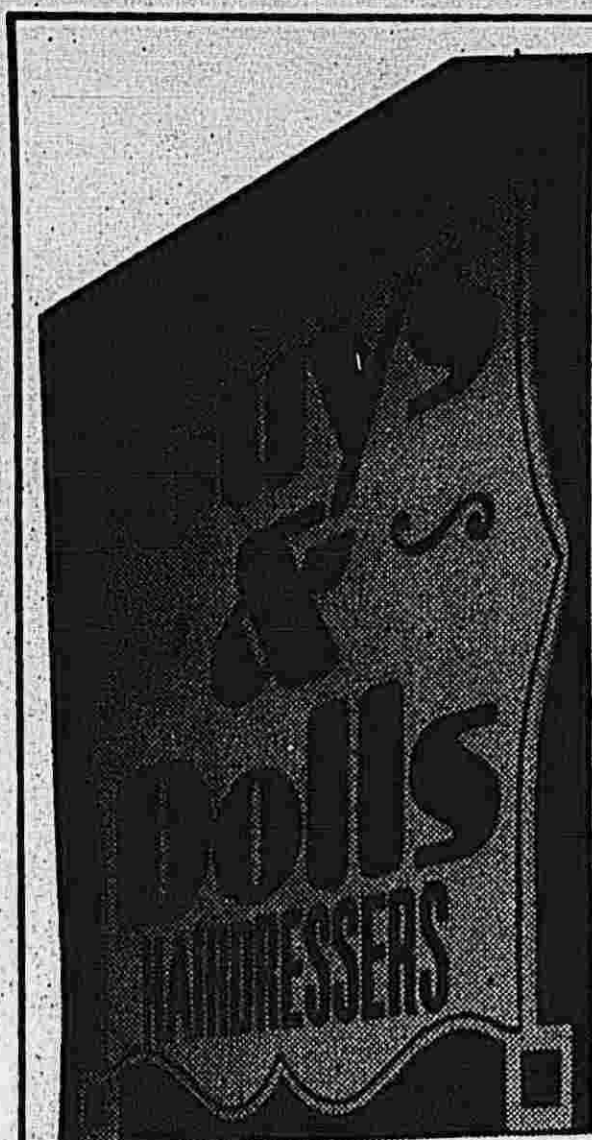

Support of the Chamber Ways & Means project is needed. Official Antioch limited-edition

bicentennial belt buckles are available for \$5 at the following outlets: Antioch Savings & Loan, Ashland Jewelers, B-J's, Barnstables, First National Bank, Four Squires, Gibbs & Jensen, The Globe, Stanley's, the State Bank, the village office and the Chamber office.

The Chamber of Commerce office will be closed for vacation June 7-11.

THE FIRST NATIONAL BANK of Antioch presented \$450 to Pamela Gourley, third from right, who will represent Lake County 4-H in an international cultural exchange program, spending six months in Germany. From left: LaVerne Woods, president of the bank; Carolyn Van Patten, 4-H leader and the bank's real estate officer; Miss Gourley, and Bill Messerschmidt, Lake County 4-H youth extension advisor.

Bank Helps Sponsor 4-H Trip to Europe

LaVerne M. Woods, president of the First National Bank of Antioch, and Carolyn Van Patten, 4-H Leader and real estate officer for the bank, presented Bill Messerschmidt, Extension Advisor for 4-H Youth in Lake County, with a check for \$450 which represents the proceeds of the annual 4-H Pancake Breakfast held at the bank last November.

The pancake breakfast is sponsored annually by the First National Bank to raise funds for 4-H cultural exchange programs.

This year, for the first time in Lake County 4-H history, a young lady passed the rigid requirements necessary to achieve the honor of becoming an International 4-H Youth Exchange (IFYE) delegate.

Paula Gourley of Zion will be the one of seven delegates from the state of Illinois representing 4-H in Europe in 1976.

IFYE is a special program of cultural exchange for 4-H delegates world-wide. Each delegate must be between the ages of 20 and 31, and single. After application and approval by the county, each applicant must be approved by the state and go through an intensive interviewing process by state 4-H officials.

Miss Gourley is a 1971 graduate of Carmel High School in Mundelein, and a 1975 graduate of George Williams College in Downers Grove. She holds a B.S. degree in applied behavioral science. She is employed by SEDOL of Gurnee as a substitute teacher working in special education for northeastern Illinois schools.

As a member of 4-H in Illinois, Paula served as a junior leader in the North Prairie club and as a junior leader, vice-president and president of the Benton Blazers 4-H club in Waukegan.

She is also an active member of the Lake County Art League and the National Association of Social Workers. She proudly adds she is a grateful and active member of TOPS (Take off pounds sensibly).

To help her in her work with

SEDOL she has just completed a course in sign language.

Miss Gourley will leave for Washington on June 20 where she will participate in an intense orientation program with delegates from all over the United States. The training is aimed to give the delegates insight into the environments they will be living and working in, and to train them in the art of being a grassroots ambassador for the United States.

Paula will be leaving for Germany on June 25 for almost six months as an ambassador for Lake County, the state of Illinois, and the United States of America.

Her job, as she puts it, is to "know a little bit about everything that happens in the United States, in its varied cultures, climates and communities. She will be working with youth services in Germany setting up,

organizing or improving 4-H programs.

The cultural exchange will include limited traveling for Paula so she can get to know the people she will be living with and their culture. As an ambassador, Miss Gourley will be honored by officials from Germany and has been asked to present the keys to her hometown and her state.

Upon her return to the United States on Dec. 10, she will prepare a special presentation for the First National Bank of Antioch.

Driver Escapes Serious Injury

An Antioch woman escaped serious injury last week when she was pinned beneath her compact station wagon after it rolled over on Rt. 173, north of Wadsworth.

Nancy A. Eberman, 30, of Rt. 3, Antioch, was taken to Victory Memorial Hospital and at first was reported in stable condition. However, she was back at work Monday at the State Bank of Antioch.

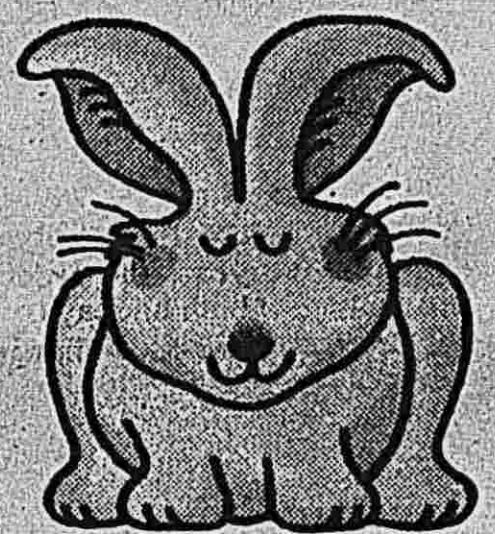

A passenger, Karon Wiese, 24, of Rt. 4, Antioch, also was treated for injuries.

Deputies said Ms. Eberman was driving west, when the wagon went out of control and rolled over. Deputies said only her feet could be seen when they arrived. The small station wagon was lifted from her. Deputies said she suffered burns from the car's manifold.

The passenger was not thrown out of the wagon.

Happenings

THE PRAYER groups of northern Illinois and southern Wisconsin will hold a "Day of Renewal" at St. Benedict's Abbey on Sunday, June 6.

The speaker will be Ron Lee of Olympia Fields, whose special ministry is healing. His topic will be "The Healing Power of Jesus Christ Today."

Persons wishing more information can call Fr. Henry at the Abbey, (414) 396-4311.

THE UNITED Methodist Women of the United Methodist Church of Antioch will meet on Wednesday, June 2, at 12 noon for a potluck luncheon, followed by a program of faith healing.

Hostesses for the day will be the officers.

Devotions will be given by Mrs. Robert F. Duha.

The United Methodist Women will adjourn for the summer and resume their meetings in September.

However, the Rose Doty Sewing Circle will continue to meet over the months of June, July and August.

"All women of the church are welcome. Watch your church bulletin for specific dates," Mrs. Duha said.

Coles' County Board Seat To Be Filled

A special primary election will be held in County Board District No. 4 (the townships of Antioch, Lake Villa, Grant, Avon, Fremont and Wauconda) on Tuesday, Sept. 14, County

Clerk Grace Mary Stern announced.

"This Primary will permit Republican and Democratic candidates to compete for nomination to the unexpired

term - two years to run - of Ron Coles. That seat on the county board became vacant upon his conviction Mar. 26," Mrs. Stern said.

The successful candidates for the the two major parties in the special primary will appear on the Nov. 2 ballot. Whoever wins that contest will assume the county board seat until November 1978.

"Petition forms, statements of candidacy and loyalty oaths are available in the county clerk's office," said Mrs. Stern. "And those petitions will be filed with us between 9 a.m. June 7 and 5 p.m. June 14."

A candidate for the Democratic Party requires 41 signatures of registered voters resident in District 4; a Republican candidate requires 45. Any independent candidates - and they file during the same period - will need between 890 and 1,423 signatures.

"It's important to add," she said, "that each candidate must also file a statement of economic interests with this office at the time of petition filing."

Persons with questions can call the county clerk's elections department (689-6628) for further information.

2 Antioch Women In Accidents

Two Round Lake men were treated for minor injuries at a Waukegan hospital last Thursday in an accident at Fairfield Rd. and Lake Shore Drive in Ingleside.

They were Leopold Radzik, 26, and Joseph Radzik, 52. Their car was making a left turn at the intersection.

Lake County sheriff's deputies charged Mary R. Cermak, 18, of 911 David St., Antioch, with driving in the wrong lane.

Radzik said he was driving south on Fairfield Road and as he approached Lake Shore Drive Miss Cermak entered the intersection in front of his vehicle, he claimed.

Radzik said he braked his car, but was unable to stop to avoid the collision.

Deputies said Miss Cermak had stopped her car on Lake Shore Drive facing west, looked both way before entering the intersection to make a left turn when the auto was hit by the other car.

Darlene A. Rostowski, 39, of Rt. 1, Box 884, Antioch, was treated for injuries Thursday after her auto struck a telephone pole on Grass Lake Road, south of Antioch.

Her seven-year-old son who was riding with her, was not hurt.

ABC's of Travel

Domestic and International

By BARB CORBIN

BARB CORBIN

Board Orders Baggage Charge Reduction - The Civil Aeronautics Board has ordered that excess-baggage charges on international flights should be reduced within 90 days.

At the same time, the board stated that the present international free-baggage allowance limitations must be revised within the year. Currently, most international passengers are limited to a free-baggage allowance of 66 pounds in first class and 44 pounds in economy. Each kilogram (2.2 lbs.) of baggage in excess of this free allowance is charged to all passengers at the rate of one percent of the applicable first class fare.

The board ruled that the present excess-baggage charge is excessive. It also found that an excess baggage charge of seven-tenths of one percent of the ECONOMY fare per kilogram would be reasonable related to the carriers' costs shown by the evidence of the board's investigation.

This will result in tremendous savings for all. New free-baggage allowance rules are in negotiations now and may end up being 66 pounds for all. This

can help those of you who are trying to keep the weight under 44 pounds on a three week European vacation.

The board's action follows from a petition filed by a consumer requesting a CAB investigation into free-baggage allowances and excess-baggage charges on international flights. As you can see here, it does pay to write your complaints.

Will try to keep you posted on the results and when the changes will become effective. This will be a great savings for my own travels and for others who go out of the United States.

THE AMERICAN LEGION'S annual Poppy Days were held in Antioch last Friday and Saturday, and Andrea Goode decorated the post office with a miniature Flanders Field. Andrea posed with Al Swenson, chaplain of the Antioch American Legion and a long-time past commander. Al, who is in his early 80s, was out selling poppies again last weekend. "I've been doing it for more years that I can remember," he said. The poem, "In Flanders Fields," written during World War I by John McCrae, was part of Andrea's display and is reprinted below.

In Flanders Fields

By JOHN McCRAE (1872-1918)

In Flanders Fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow.
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe;
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

NAMES IN THE NEWS

MR. AND MRS. Walter Johnson, formerly of Johnson's Petite Resort, celebrated the graduation of their daughter, Christine Marie Johnson Kumler, from Illinois Wesleyan University in Bloomington.

Chris attended IWU from 1969 till 1972, then took a three-year absence from studies while she lived in San Antonio, Tex., where her husband, Richard L. Kumler, served in the army. Chris returned to Wesleyan and graduated with honors (magna cum laude) with an average of better than 3.5.

Richard is now a part-time graduate student at Illinois State University and works at Brokaw Hospital. Chris has been offered a graduate assistantship to continue her studies at ISU, but at present her plans are indefinite.

LOUIS KOROM of the First National Bank of Antioch was one of 72 bankers from 22 states who successfully completed the second annual Seminar for Young Men and Women in Banking, sponsored by the Independent Bankers Association of America on the campus of the University of Arkansas.

The seminar offered an intensive five days of lectures and group analysis of practical banking subjects.

The seminar is planned exclusively for men and women who

are junior officers of America's independent banks. It is directed by Dr. John Dominick, professor of finance at Arkansas University.

LINDA D. LAGERSTROM, Antioch, has been elected a member of the Representative Assembly, student government body at Augustana College, Rock Island. She will serve during the 1976-77 school year.

The assembly is composed of students from each of the four classes, plus off-campus representatives.

Miss Lagerstrom is the daughter of Mr. and Mrs. L.M. Lagerstrom, Rt. 5, Antioch.

MARINE PRIVATE Jeffrey A. Redlin, 18, son of Mr. and Mrs. Robert Redlin of 267 Hickory Lane, Antioch, has completed the seven-week basic refrigeration mechanic course at Marine Corps Engineer School in Camp Lejeune, N.C.

Pvt. Redlin received instruction in electrical and refrigeration theory, procedures and components; engineer refrigeration equipment; and air conditioning.

He is now serving at Camp Lejeune. Jeffrey is a 1975 graduate of Salem Central High School.

Along the way with ANNIE MAE

The Antioch Rescue Squad was really kept hopping last week, answering 17 calls in seven days. The squad's total for the year is now 287 calls.

Last week's calls included a boating accident, and also an opportunity for one of the squad members, Dave Heath, to deliver a baby on the way to St. Therese hospital. Chuck Larson and Jim Koppa were along with Dave on that nerve-wracking assignment.

FREE SWIMMING will be available at the Antioch Aqua Center on Sunday, May 30.

Sue Koppa, village parks and recreation coordinator, is inviting people of all ages to come out and enjoy the opening day of the season.

Free swimming will last from 1:30 to 8 p.m.

The pool will then re-open on Saturday, June 5, when the regular lesson program starts at 9:30 a.m.

AFTER LAST year's convention in Antioch, we remember talking to Winsor Dalgaard, that super nice guy who passed away recently.

Winsor was Lake Villa's assistant fire chief and he said: "Antioch staged one of the best organized conventions we've ever seen. I only hope we can do as well in Lake Villa next year."

Winsor would have been proud of the job that his Lake Villa pals did last weekend.

CONGRATULATIONS to Antioch's volunteer firemen

who took second in the water fight competition Saturday in the Lake County firemen's convention at Lake Villa.

Jim Krieger was Antioch's nozzle-man and decided this would be his last competition. What a way to go out!

Antioch finished fifth overall in the county standings. Folks will remember that Antioch hosted the annual convention last year and Lake Villa's department did a nice job as hosts this year.

"We took our lessons from Antioch," a Lake Villa fireman said.

WE HAVE been asked by an anonymous caller to include this item in today's column. "At the firemen's convention in Lake Villa last Saturday, a young lady was stuffed in a garbage can and delivered to a bar with only her feet sticking out. Who could that have been?"

We don't mind running the item, but we fail to see anything unusual about that. Happens all the time, doesn't it?

ST. PETER'S school children presented a bicentennial variety show, May 12, to a full house. The 90-minute show was truly entertaining. While performing all the various skits, I can't help but think these children are also getting a history lesson at the same time.

The acts included skits from the 1800's when the showboat was a floating entertainment center, to the present day when man first stepped on the moon. A lot of imagination went into

the skits, and special thanks should be given to all the mothers who helped, and also to Pat Center and Dorothy Purfeerst who spent many hours rehearsing with the children.

THE CONWAY Diet Institute, which meets Mondays at 7:30 p.m. at the United Methodist Church, has reported some remarkable results since it began gathering in Antioch early in February.

Madeline Antonsen, lecturer for the group who has lost 40 pounds since last September, reports that one woman has lost 28 pounds and another member, who is pregnant, has shed 21 pounds. She is Ruth Bigelow and Mrs. Antonsen said she has been a real inspiration to the other 20 or 30 who attend.

Persons who might be interested in the Diet Institute can call Madeline at 356-1304 or stop in on a Monday evening.

County GOP To Hear Richardson

The Lake County Republican Federation is looking for a big crowd Friday night, June 4, when it holds its fund-raising dinner-dance at the Holiday Inn in Mundelein, on Highways 45 and 83.

The main speaker will be

Elliot L. Richardson, the nation's secretary of commerce.

A reception is planned at 6 p.m. and dinner at 7:30. Patron tickets are being sold for \$100 and dinner tickets for \$20. They can be obtained by calling the federation in Waukegan at

623-0235.

Elliot L. Richardson was nominated as secretary of commerce by President Ford on Nov. 3, 1975. The U.S. Senate confirmed the nomination on Dec. 11, and he took the oath of office on Feb. 2.

Mr. Richardson had served as ambassador to Great Britain since Feb. 20, 1975.

As Secretary of Commerce, Mr. Richardson serves as chairman of the Energy Re-

sources Council, which is charged with developing national energy policies designed to make America less dependent on foreign fuel sources and mineral supplies.

Secretary Richardson served as Attorney General from May 1973 until October 1973, then was a Fellow of the Woodrow Wilson International Center for Scholars in Washington, D.C., before being named ambassador to Great Britain.

The Town Crier

Antioch's new postmaster may be selected by mid- or late-June.

That's the guess of Don Grant, who has been serving as officer-in-charge since Walter Barnas retired as postmaster at the end of February.

At first there were only three candidates, but the list has grown to 13.

"That's because it's such a choice location and choice town," said Mr. Grant.

"I like the people here so much that I wish I could have the job myself," he smiled.

But Don, of Gurnee, knew that was out of the question when he was assigned here Mar. 1. He will return to another good job in the postal service.

Meanwhile, the screening of applicants for the Antioch job is underway.

THE BEST true fish story we've heard lately is about the 7 lb. 14 oz. rainbow trout caught by attorney Ted Larson last weekend at Bass Lake, Wis.

You don't see many rainbow trout that size. We hear that Mr. Larson was guided in his catch under the able assistance and direction of Dr. Jim Kopriva.

Counselor Larson's feat had to share the fishing spotlight with a catch made Monday by John Teresi, also at Bass Lake in Wisconsin. The world famous Italian chef landed a 15½ inch brook trout.

WE WERE fascinated when we heard this one:

There actually was an "Uncle Sam." Few people realize it, but he actually lived.

The story of "Uncle Sam" has been made into a 25 minute color film narrated by actor E. G. Marshall, and is available for use by schools and service organizations.

Few libraries contain any information on this historical figure. There has never been a radio or television program on this subject. And yet, the symbol and what he stands for is known throughout the world.

This film mixes local settings where Samuel Wilson, the original Uncle Sam, lived and worked.

The film can be scheduled for viewing by contacting Don Freels, executive vice president of the Lake County Board of Realtors, 356-3111.

As a 9-year old boy, Samuel

Wilson witnessed Paul Revere's ride warning of the advance of the British. He watched the skirmish at Concord and saw the first British prisoners taken in Menotomy, Mass., his hometown.

His unique character, genial and generous nature earned him the nickname, "Uncle Sam."

In 1812, "Uncle Sam" Wilson was a resident of Troy, N.Y. He contracted to provide the Army with supplies. The barrels of beef were stamped with the United States insignia, "U.S." but the folks around Troy knew better. To them "U.S." meant "Uncle Sam."

People watching the processions of beef shipments would say, "There goes more from Uncle Sam! Uncle Sam is feeding the army!" Thus ... the initials of "Uncle Sam" and the United States became intermingled ... and the legend was underway.

LOU HENSON, University of Illinois basketball coach, gave a homespun talk at Monday's Lions Club dinner honoring Antioch High School senior athletes.

First he boasted he was 10th in his high school graduating

class. Then he admitted he grew up in Okay, Okla., or Okeh, Okla. (however you spell it), and the class had 13 students.

Henson left the audience with this bit of philosophy:

"God gave us two ends ... one to think with and one to sit on. Success in life depends on which one you use most. Heads you win, tails you lose."

2 Antioch Matmen Win Titles

Two Antioch High School wrestlers won championships Monday in an Illinois Wrestling Federation tournament at Grant High in Fox Lake.

Marvin Gibson triumphed in the junior division at 123 pounds and Gene Lehn was first in the junior division at 155 pounds.

Bob Gossman and Rich Gorski were fourth in the senior division at 115 and 178 pounds respectively. Jeff Thiel was fifth in the juniors at 155.

They are all coached in high school by Ted DeRousse of Antioch, who is chairman of the Illinois Wrestling Federation.

age of 11. That's kind of a neat age, too. Remember?

HAPPY BIRTHDAY this Friday, May 28, to Mike Harvey. He'll be 21. Nice age, isn't it?

Also, happy birthday to Shirley Gutowski on Sunday the 30th. So Shirley's another year younger!

THIS ALWAYS makes interesting reading:

The Illinois Department of Labor has reported that the average weekly wage in Illinois manufacturing industries is \$231.42, up from \$205 per week a year ago. The average wage figure is used to compute workmen's compensation and other benefits.

PM&L'S Next Play Coming Up June 5

On Saturday night, June 5, "Lion in Winter" opens on the PM&L stage in Antioch. Curtain time is 8:30 p.m.

Briefly, this is the story of the play:

The children of Henry II are visiting Chinon, Henry's palace in Brittany. Richard is 26. He has been a famous soldier since his middle teens and is thoroughly at home with power and politics. Richard is played by John Davis who has appeared in many productions at Southern Illinois University, Indiana University, and as a graduate acting assistant at Illinois State University. John is presently teaching at Warren Township High School.

Geoffrey is 25 and considered the best brain of a brainy

family. Constantly overlooked by his family when considering the crown, Geoffrey is played by Bob Junius who was last seen on the PM&L stage in "Butterflies are Free."

John is 16, the youngest son. John is played by Mark Kettner in his first PM&L production. Mark is the winner of Avon's best actor award for "Man for All Seasons."

Alais Capat is 23, the ward of Eleanor, mistress of Henry and engaged to one of Henry's sons. Alais is played by Martha Davis, who has performed in several productions of the Illinois State University theatre department.

Philip Capet has been King of France for three years and is presently 17 years of age. Philip

is brother to Alais and has come to Chinon to deal with Henry regarding Alais' marriage to one of the sons. Philip is played by Bruce Berger, last seen as Mookie Magogins in "Dirty Work at the Crossroads."

The director is Tessa Smith, last seen here in "Streetcar Named Desire."

Reservations can be made by calling 395-3055. Dates of all performances are June 5, 11, 12, 18 and 19. Tickets are \$3 for adults and \$1 for students.

Astro-Analysis

By Sonia

ARIES [March 21-April 19] - Journeys are now favored, especially those which involve bridging any communication gap between friends and neighbors. Make plans to take a short trip.

TAURUS [April 20-May 20] - A good trend to put those inspiring ideas to work. Being expansive with your creativity can gain a firm foothold and foundation for personal interests.

GEMINI [May 21-June 21] - It takes aggressiveness this week to promote aims; a favorable trend for matter pertaining to business prevails. A more dynamic personality can gain the attention you need.

CANCER [June 22-July 21] - You may be forced to pick up the loose ends and continue with unfinished business; present goals can be carried on too.

LEO [July 22-August 21] - Don't get too impatient about advancement; set a pace that is practical, then work for your goals at a realistic speed. Try to work out dissension among family members.

VIRGO [August 22-September 22] - Some sort of mental stimulation may prompt you into considering taking a different route career-wise. Don't confide in people who may be unethical.

LIBRA [September 23-October 22] - Take full advantage of existing opportunities but don't go deliberately looking for ways and means of readjusting an already set pattern.

SCORPIO [October 23-November 21] - Increased activities can be a strain on you emotionally so try to maintain some balance in your week's plans. Mate or partner may show opposition to your ideas but go ahead with schedule.

SAGGITARIUS [November 23-December 20] - A good time to perfect flaws in working conditions and make amends with co-workers. Take the time to do detail work required for a good job.

CAPRICORN [December 21-January 20] - Happy events along entertainment lines should occur this week as good planetary influences continue. Don't hesitate to make the acquaintance of new people.

AQUARIUS [January 21-February 19] - Mentality is more keen now so occupational plans should be made under excellent conditions. A good week for forming new associations.

PISCES [February 20-March 20] - Don't quarrel with people who disagree with your methods; be steadfast with plans but tactful with the feelings of others.

Midget Autos Roar on Friday

Midget auto racing will open a heavy schedule of holiday events at the Lake Geneva Raceway on Friday night.

Other holiday events include late model stock cars on Saturday night and super-modifieds on Sunday night. Sportsman and spectator stocks will race on both Saturday and Sunday nights.

Daytime Saturday and Sunday events include off-road

course 2 and 4 wheel vehicles racing in events carrying up to \$15,000 in prizes.

Heading the list of drivers in the Friday night midget racing is Don Vogler, Glen Ellyn, Ill., the defending champion as well as the recent winner of the 30-lap feature at the Davenport, Ia. Fairgrounds.

Antioch Drivers 1-2 at Wilmot

A pair of Antioch drivers, Chuck Ostergaard and Tom Homan, topped the late model sportsman feature at Kenosha County Speedway in Wilmot last Saturday. They led fast-time qualifier Sid Norton of McHenry and point leader Ken Zeisse of Union Grove to the finish in a close, thrilling race.

Homan was second in qualifying and now ranks fourth in point standings behind Zeisse, Ostergaard and Ralph Rau.

Super-modified and late model sportsman racing this Saturday night will be followed by a Monday night, May 31, all-sportsman stock car race for men and women with separate events for each.

Bullwinkle Bill Klein, Burlington, was the winner of the 25 lap super-modified stock car feature at Wilmot last Saturday night. His win ended the undefeated win streak of champion Dick Colburn, Muskego, at three.

However, not everyone, including Colburn, is so sure that

the win might not have been Colburn's if Bill Repsold had not spun and stalled in the first turn as the leaders caught the white flag signal indicating one lap to go. Colburn had worked his way through the field to catch pole-starter Klein and on the 23rd lap had been able to pull alongside and nearly complete the pass.

As the final lap was signaled, Colburn went wide to miss the stalled Repsold and slowed considerably because he thought the yellow flag had also been signaled. Such was not the case according to starter Wayne Soder, Antioch, and the result was that Colburn was dropped to 7th in the official finish.

By JEANNINE LEONHART

Members of the Oakwood Knolls Property Owners Association are reminded of tonight's meeting of the association and we urge you to attend.

Among the important items on the agenda will be the election of a vice president to complete the term of Ken Jandula who resigned at our last meeting.

The 1976-77 membership drive, chaired by Georgia Eilman, is well underway. Residents are urged to pay their dues prior to July 1 either by mailing them to the association or paying committee members who will be contacting them during the drive.

All our residents benefit from the association's activities and without membership support the association cannot survive. Let's all support Georgia and her committee during this Bicentennial membership drive.

DONNA HYNES, association

swimming lesson chairman, has announced that this year's swimming lesson program is deep in the planning stage. Tentative plans call for the two week session to run from July 26 to Aug. 6. Registration is Monday, July 12, from 4 to 8 p.m. at the beach.

The program is available to all children and grandchildren of association members. There will be classes for toddlers through intermediate swimmers. Mothers are needed for "beach sitting" and are asked to call Donna at 395-0544 to volunteer. Questions about the program should also be directed to Donna.

OAKWOOD KNOLLS teenagers are in the process of planning some summer activities. Currently, a survey is being taken among the 13 to 17 year old set to determine interest and obtain ideas for activities. All teenage residents are asked to call Marcia Denny 395-6046 or Kathy Tollison 395-0537 to voice their opinions.

Adult advisors for this project are Tim and Donna Hynes.

Loretta Schiffmann, association welcoming chairman, has been very busy these past couple weeks and reports visits to seven new households. May we extend a further welcome to Mr. and Mrs. Gary Schneider, Ms. Karen Morrissey, Mr. and Mrs. Jimmy Long, Mr. and Mrs. John Howell, Mr. and Mrs. Brian Bromhead, Mr. and Mrs. Walt Pfeiffer and Mr. and Mrs. James Lyons. Very best wishes to all of you in your new homes.

Tim and Donna Hynes have had a busy week entertaining Donna's sister, Sue Green, who has been visiting from Sabina, Ohio. Donna and son, Greg, spent the week showing Sue our Antioch area. Sue and Donna's parents, Ruth and Earl Green, also of Sabina, joined the girls on Friday and everyone enjoyed a trip to the Milwaukee Zoo on Saturday. It certainly was a lovely weekend for a beautiful family reunion.

INTS FOR OMEOWNERS

PUSH POWER MOWERS

Your power mower can cut grass speedily and safely, if you observe the simple safety rules found in the owner's manual. The Outdoor Power Equipment Institute urges you to follow these precautions:

1. Before using the mower, be certain to read the owner's manual so you know how to operate it and to start and stop it quickly.

2. Wear sturdy shoes and close fitting slacks. Never operate the mower in bare feet or sandals.

3. Be sure the grass is not wet. Wet grass can cause you to slip and lose control. It can also cause blades and discharge chute to clog.

4. Never adjust or leave the machine without stopping the mower and disconnecting the spark plug wire.

5. With electric mowers, follow proper mowing patterns to avoid cutting the cord.

6. Always watch your footing, particularly on slopes. Steer the push mower across slopes, never up and down.

7. To protect your legs and feet, always keep the mower flat on the ground. Never lift, tilt, or pull it toward you.

8. Keep children and pets completely out of the mowing area.

Think safety when you're mowing!

GROUND-BREAKING CEREMONIES were held last Friday for the Upper Nippersink dredging program. The Chain of Lakes-Fox River commission decided to begin dredging in the Fox River channel in Nippersink Lake, just south of Grass Lake bridge. The work will extend about 1,200 feet south of the bridge. Breaking ground at Cubs Cove, where the containment

area will be situated, were (from left) Bill Bolger of McHenry, State Rep. Tom Hanahan, Commission Chairman Bill Brook of Antioch, State Sen. Jack Schaffer, State Rep. Don Duester and Leo Eisel, director of the Illinois Division of Water Resources. The channel will be made 200 feet wide and three feet of silt will be dredged out. Presently the channel is 50 feet wide.

Language Arts Classes Made Interesting Here

By MITZI WEICK

Innovative! Creative!

That is what someone would think if he walked into a Language Arts class at the Antioch Upper Grade School.

Reading ghost stories, mysteries, stories about ESP,

writing stories for young children, writing plays and autobiographies are just a few of the topics that are covered in the Language Arts classes.

Imagination is the theme of one of the eighth grade units. Emphasis is on mysteries, ESP, ghosts, UFO's and dreams.

Books and stories on these topics are read and discussed, movies are shown, and then the students choose one of the topics and expand on it. Project options include oral or written reports, plays, creating slides or presenting an original tape.

Have you read the "Outsider?" It is a book that revolves around a poem by Robert Frost. The seventh graders read this and then wrote their own poetry - Haiku, which is a Japanese form of poetry. It consists of three lines. The first and third lines have five syllables and the second has seven syllables. Two students wrote the following poems.

My life is a book.
Do not read just my cover.
For it is not me.

Rod Stannard

The sun is a torch
It glows from burning gases
It lights up the world.

Kathy Krom

SIXTH GRADERS are writing stories for young children, particularly those in first, second and third grade. They read many books, looked at the illustrations, and looked at film strips to get some ideas for their story. Not only are the students writing and illustrating their stories, but they will be going to the grade schools to read them.

Demonstration speeches are also met with great enthusiasm by the sixth graders.

SPEECH ARTS is offered to the seventh and eighth graders. In addition to the usual three public speaking assignments, individual and group drama was added this year.

A "first" in the history of the school is a speech that will be given by two of the graduating eighth graders at Thursday's graduation. Over 30 eager eighth graders competed for this honor. Marsha Fallon and Abby Nasenbeny won after a series of contests.

BESIDES THE innovative and creative ideas, the basic skills of written and oral communication are stressed.

A battery of tests on skills and usage were administered to the students on all grade levels. The skills tested were internal and external punctuation, usage of verbs, adjectives, adverbs, prepositions, quotation marks, and capitalization. The results of the tests, plus the written assignments of the students have been used to give the students individualized and group instruction in sentence structure, spelling and skill areas.

The teachers in the Language Arts department have also worked cooperatively with the

reading specialist to help make the reading lab a success. The teacher writes a monthly contract for her student, based on the results of the reading tests administered to each student in the program. Besides working in the reading lab, the student works on his individualized program in the classroom. Both the students and the teachers have been enthusiastic about this program. It has been very successful and more students may be integrated into the program next year.

The program in Language Arts is concerned not only with the mastery of the forms of language, but with the use of language skills in meaningful situations where they are needed in solving real problems.

Don't cheat your wife

Many husbands do it without trying.

They work a lifetime to build an estate, but don't make plans for their estate after they're gone.

So you end up leaving more to the tax man and less to your family.

But some basic estate planning may change all that.

For example: you can leave nearly half your estate to your wife free of federal estate taxes—no matter how big it is.

It takes experts to plan your estate. So talk to your attorney. And ask your Country Companies agent about Country Life's special estate planning services.

SPORTSMAN'S CORNER

A good thought to keep in mind on your walks through the woods this spring is:

"Look, but don't touch."

Each year thousands of seemingly abandoned young wildlife are found and "adopted" by well-meaning people on leisurely strolls.

"Their intentions are good, but actually they probably have insured the death of the animal they are trying to save," said Tony Dean, director of the Illinois Department of Conservation. "In addition, they are violating a state law prohibiting such actions."

Usually, animals which appear to be abandoned merely have been left by a mother who is searching for food and will return shortly. More than likely, she is watching as her young one is carried away from her.

"If there is serious doubt about the well-being of an animal, contact the nearest conservation police officer," Dean said. "He will make arrangements to pick up the animal and care for it."

Attempts are made to make most animals removed from the wild household pets. But they retain their wild instincts and usually are returned to the wild, after they've bitten a member of the household or otherwise have become a nuisance.

However, they generally die shortly after being released, because they haven't learned the ways of the forest and don't know how to find food or shelter.

"A more serious consideration when adopting wildlife is rabies," Dean pointed out. "Many species of wildlife are susceptible to this disease, and a bite could mean a series of painful shots for the victim."

ILLINOIS HUNTING and trapping seasons and bag limits for 1976 have been set for all hunted species except those governed by federal migratory guidelines.

Squirrel season will begin Aug. 1 in the southern zone and Sept. 1 in the northern zone and will conclude Nov. 15 statewide. Hunting hours are sunrise to sunset, and the bag limit is five per day.

Upland game season (cock pheasant, Hungarian partridge, rabbit and quail) will open Nov.

13 and conclude Jan. 15. Hours are sunrise to sunset daily. Bag limits are two pheasants and partridge, four rabbit and eight quail per day.

The 1975 pheasant harvest was up 50 percent from the year before, and sex ratios show adequate winter carry-over into 1976. This year's harvest will depend on available nesting cover and weather conditions.

Biologists estimate 194,000 hunters bagged 606,000 cock pheasants last year, compared to only 394,000 birds harvested in 1974.

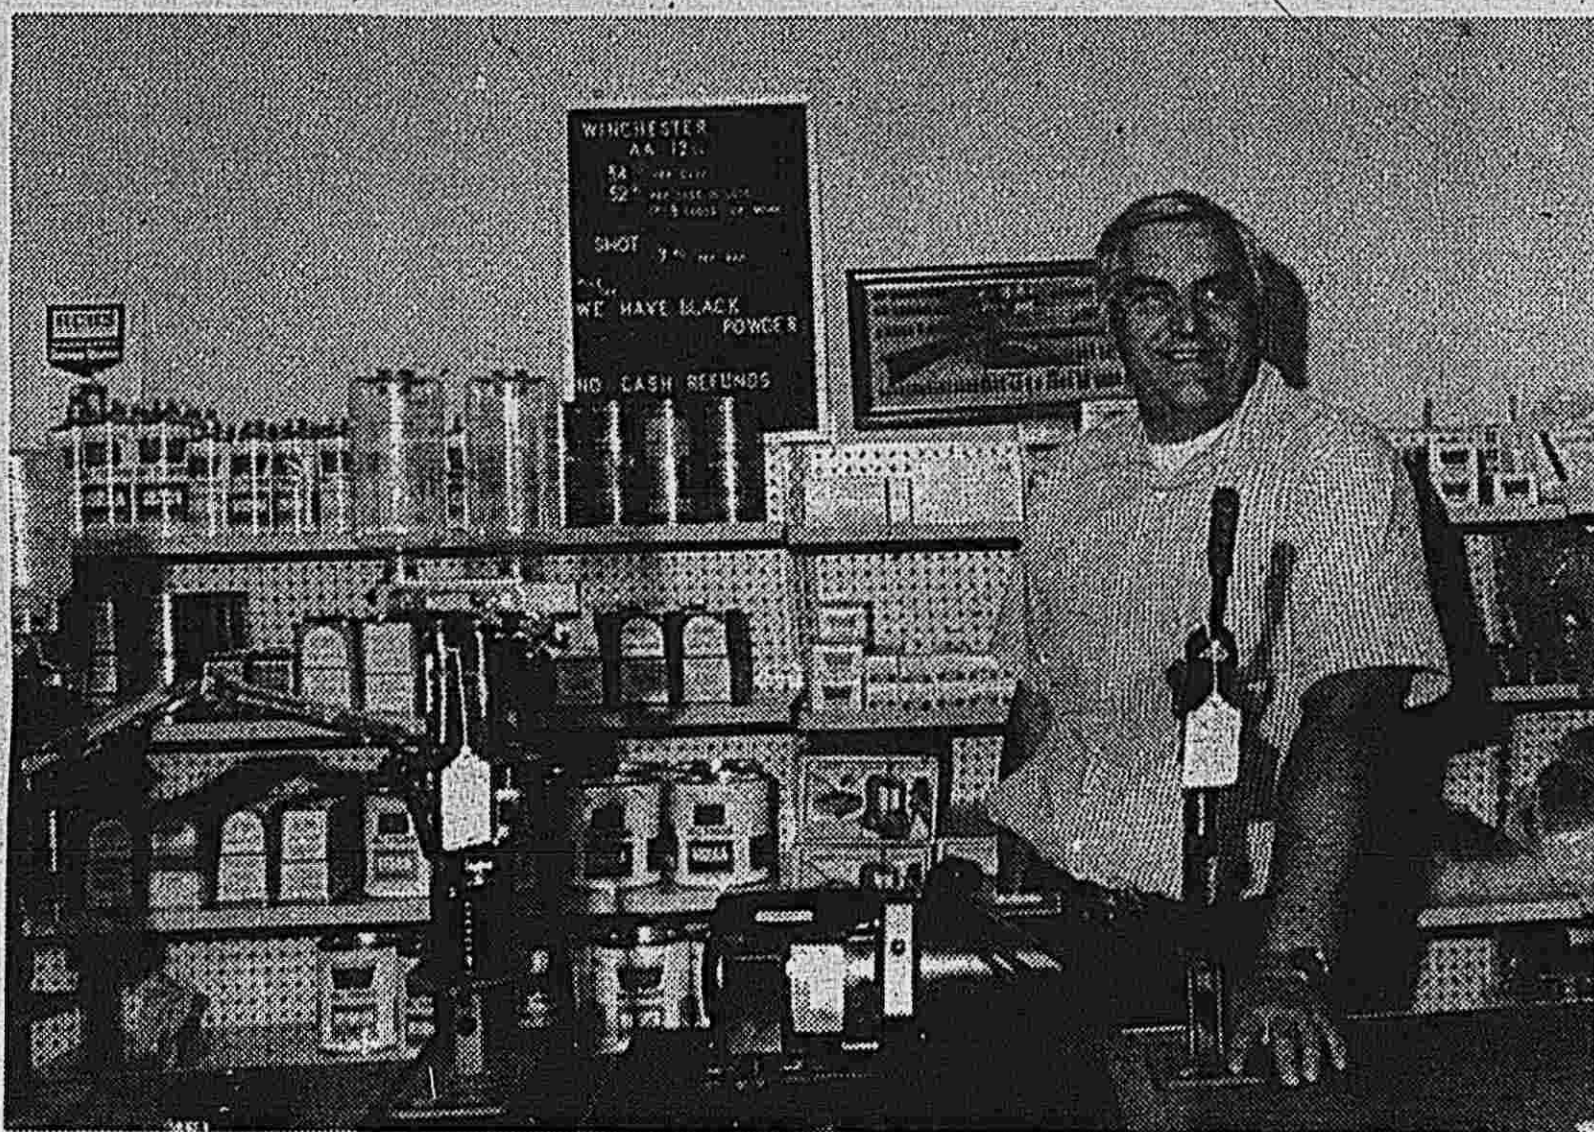

Hungarian partridge are taken incidentally during hunts for other species, and biologists recommended seasons and bag limits similar to last year.

Trapping for muskrat, mink, raccoon, weasel, opossum and skunk will begin Nov. 13 and conclude Jan. 6 in the north zone. Trapping opens Nov. 20 and ends Jan. 13 in the south.

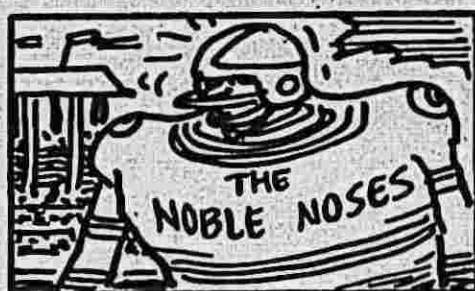

Fox and coyote trapping season will start Nov. 27 in the north, Dec. 4 in the south, and will conclude Jan. 6 in the north and Jan. 13 in the southern zone.

Beaver trapping will begin Dec. 18 and run through Mar. 7 statewide.

Except on the first day of the season, possession limits for all hunted species are twice the daily bag limit.

ALSO AVAILABLE at "The Kodiak" is trap shooting and reloading equipment. Art Moldenhauer is in charge of that section of the new store for area sportsmen.

Antioch Bowl Honors Its Young Stars

A total of 240 bowlers between the ages of 7 to 17 participated in the youth bowling program at Antioch Lanes from September until the end of April.

The Bantam Morning group included bowlers between the ages of 7 and 12. The Juniors are 13 to 15 and the Majors are mostly 16 and 17.

The Bantam leagues included American and National Divisions, sponsored by the Antioch banks.

All of the leagues bowled on Saturday mornings. The Junior league was sponsored by local businessmen and the Major league by the State Bank of Antioch.

The young bowlers have five coaches: Joe Costa, Jim Christiansen, Larry Hill, and Rich and Dale Norris.

The leagues were coordinated by Jeannine Leonhart.

Youngsters who want to participate next season should contact the bowling lanes during the end of August. Pre-registration will be available then.

The weekly fees are nominal and the leagues are sanctioned by the national youth bowling association, so tournament competition is available to all participants on a handicap basis.

THE TEAM CHAMPS in the American Division were (from left) Harry Filip, Roger Knowlton, Ricky Svoboda, John Sillianoff, Mike Swanson and John Ferrari. Behind them are Karen and Marty Padjen.

THE CHAMPIONS of the National Division, sponsored by the First National Bank of Antioch, were: Kneeling, Ron Michalski (left) and Mark Dominas; and standing (from left) Scott Johnson, Lee Merrill, Joel Bissing and Todd Michalski. Behind them is Marty Padjen, co-owner of Antioch Bowling Lanes.

INDIVIDUAL CHAMPIONS OF THE American Division, sponsored by the State Bank of Antioch were (kneeling, from left) Roger Knowlton, who had the boys' high series; Ricky Svoboda, boys' high average, and Kurt Stahl, boys' high game and most improved bowler. Standing, from left: Terri Strickroth, girls' most improved; Dawn Smith, girls' high average, and Andrea Anderson, girls' high game and series.

Our Growing America

LITTLE KNOWN FACTS ABOUT OUR GROWTH

While most people today seem to be all wrapped up in looking for new ways to keep food costs from eating away at their savings, few really realize just how expensive things would be if it weren't for packaging advances in the past.

Only 60 years ago, according to the United States Department of Agriculture, loss and spoilage caused the cost of fresh fruit and vegetables to double every time they changed hands between the farmer and the consumer.

Then, 30 years ago, a supermarket experiment showed grocers the way to save half and more of the usual distribution losses on many items, to save labor (which by now has increased its cost to about six cents a

minute), to lengthen the shelf life of the food, and to save money for themselves and the consumer.

Today, food stays fresher longer with pre-packaging and keeps the food from being handled in the store, so it lasts longer and sells for less. In addition, the packaging, like the kind created by the flexible packaging industry, helps keep produce from drying out; cereal, crackers, cookies and cake mixes from getting stale or soggy; and meat from going bad.

This works both in the store and when stored at home, so you end up with more for your money.

It would certainly seem as if buying food in good packaging can really help stretch your food budget.

CLC NEWS

In response to popular demand, the College of Lake County has had to add additional sections in both tennis and microbiology courses for the school's summer session starting Monday, June 7.

The one credit hour tennis class will be held Monday through Thursday, from 12 noon until 1:50 p.m. each day for four weeks.

Microbiology is scheduled from 7 to 10 p.m. Monday through Thursday. Students will earn four credit hours for the eight week course.

Persons can register during CLC's on-campus registration June 2-3.

LATE REGISTRATION will be held June 7 through June 9 on campus between the hours of 9 a.m. and 4 p.m. and 5:30 and 8:30 p.m. An additional fee of \$3 is charged to late registrants. Students are advised to register when possible prior to the first meeting of the class.

Tuition and fees are payable at registration. Students who desire additional information on course registration, or admissions procedures (or want a class schedule) can call the admission office at 223-6601.

THE FOREIGN language department at the college has announced that French and Spanish courses will be held Monday through Thursday, from 8 to 11:45 a.m. each day during the summer session.

This announcement corrects the class schedule which lists the class hours as 8 a.m. to 1:45 p.m.

THE COLLEGE is conducting two jazz workshops for nine weeks. Beginning June 2, classes will be held each Wednesday from 7 to 10 p.m. The second workshop classes are scheduled for 3 to 6 p.m. on Saturdays starting June 5.

The workshop will enable jazz devotees as well as beginners to explore music arranged and composed by such notables as

Thad Jones, Herbie Hancock, Chick Corea, Jeff Steinberg, Maynard Ferguson, Don Ellis and Woody Herman.

Enrollment is limited to 18 persons.

THE COLLEGE also is offering for the first time a nine-week jazz arrangers class beginning Monday, June 7, from 5 to 7 p.m. in room 531 on the Grayslake campus.

The class is set up so that each student will complete at least one arrangement for an 18-piece band.

For additional information, call the college's community services office, 223-6601, ext. 350.

THE MUSIC department is again providing courses reflecting the interests and needs of the community.

"Introduction to Music" will be held on Tuesday and Thursdays from 6 to 9 p.m. The three credit hour offering is a basic course designed as a guide to enjoyment and understanding of the various musical styles and forms.

"Music Skills for Classroom Teachers" also provides three credit hours upon completion. It will meet each Monday and Wednesday, from 8 to 10:45 a.m.

A third offering, "Fundamentals of Music," is a two credit hour course scheduled for Tuesdays and Thursdays, 8 to 9:50 a.m.

COLLEGE OF Lake County students and instructors are planning a "float trip" as part of the school's annual summer field studies course.

This year class participants will journey down the Green River in Dinosaur National Park. There are still a few openings for persons interested in taking this course which features the Colorado Plateau region of Utah and northern Arizona as its classroom. July 26 to Aug. 12. Call CLC at 223-6601 for details.

INDIVIDUAL AWARDS in the National Division went to (kneeling, from left) Glen Lazanski, for boys' high series; Ron Michalski, for boys' high average, and Bob Moeller, who accepted the boys' high game trophy for Tony Rumps. Standing (from left) are Sandy LaViolette, girls' high series and average; Scott Cantanzara, boys' most improved bowler, and Debbie Morris, girls' most improved bowler. Not pictured is Chris Veltum, who bowled the girls' high game.

RUNNERSUP in the Morning Bantam league were (from left) George Bellefeuille, Ricky Samson, Debbie Bellefeuille, Suzy Samson and Chris Barba, posing with Marty Padjen.

Girls Softball Season Opens Successfully

Sunday was the opening of the season for the Antioch girls softball league.

Ceremonies began at 12:30 p.m. with the pledge of Allegiance and Mayor Robert Wilton's traditional first pitch.

Three games were played, all of them quite exciting for the first games of the year.

The first contest went into extra innings with Mayor Wilton's team pulling ahead in the eighth, winning 8 to 7 against the Vault.

The Fire Department team fell to Herb's Auto Parts 18 to 8.

Then, the State Bank of Antioch defeated Lyons and Ryan Ford.

"We would like to thank our sponsors for their support in our third season," said league

officers. Without them the league would not be able to survive. This year, with our sponsorship fees we were able to purchase new shirts for the teams, new equipment, and pay for the insurance for the girls."

Sponsors are: Herbs Auto Parts, State Bank of Antioch, The Vault, Mayor Wilton's team, The Fire Department, Lyons-Ryan Ford, First National Bank of Antioch, the Advertiser, and Paul Eckert Construction.

Coaches are Joan Weber, Jan Hassett, Kathy Volling, Priscilla Lipske, Joan Larson, Theresa Walden, Mary Ann Edens, Sis Gallagher, Joan Cilik, Pam Friederick, Judy Gossman, Barb Bailey, Nancy Mitchell, Maggie Murphy, and Ellen Kessler and Lou Parker.

To remove grease and grime from your hands, mix a few grains of sugar with soap lather.

THE SECOND PLACE team in the National Division included (from left) Scott Catanzara, Sandy LaViolette, Keith Kannin, Kerry Kannin, Mike Hartman and Charlie Stephen.

THE SECOND PLACE team in the American Division included (from left) Kurt Stahl, Frank Heiselmann, Allen Horneck, David Syria, Dennis Ray and David Cassidy. Behind them are Karen and Marty Padjen.

Toft Revises Lake Geneva Race Schedule

Continued from page 16

his first time out in super-modified stock car racing a big success as he won the 25-lap feature race at Lake Geneva Sunday night. His win over fast-time qualifier, Bob Robel, Oconomowoc, was one of many close finishes for the night.

Starting Friday night, June 4, the super-modifieds will race weekly on Friday nights with a full program of spectator stocks.

STEVE LURVEY, Dousman, Wis., gained the winner's circle

following a 30-lap late model feature at Lake Geneva Raceway Saturday night.

Toft Auto Racing of Antioch has announced a revised schedule for stock car racing at the Lake Geneva Raceway, adding a third night to the already busy track on Bloomfield Road, one mile south of Lake Geneva.

The new schedule does not affect the late model stock cars which will continue weekly Saturday night racing. However, super-modifieds which raced on Sunday nights, will change to Friday nights start-

ing June 4 and continue weekly with spectator stocks. This is the added night of racing.

Sunday night will then become the program of All-American Late Model Sportsman stock car racing that was introduced at Lake Geneva last year on Sunday nights and attracted cars from the Rockford Speedway, Waukegan Speedway, Sycamore Speedway and Hales Corners, as well as cars from Kenosha County Speedway in Wilmot.

This year, Toft Auto Racing promotes both the Wilmot and Lake Geneva tracks and expects an even larger field for the Sunday night racing. This racing will also be supported by the spectator type cars which are actually street type cars with no modifications for track and speedway racing.

The Sunday morning and afternoon drag racing will continue starting at 9 a.m.

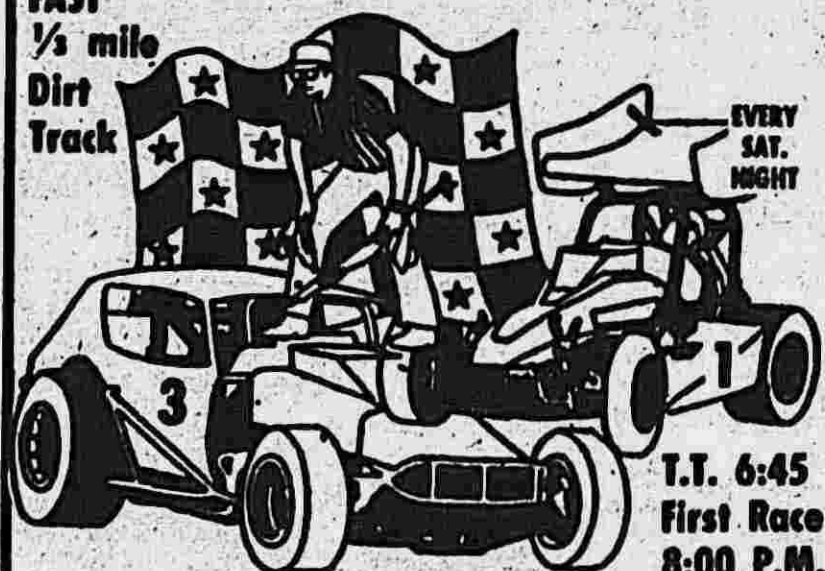

In conjunction with the Friday night racing, the Stein Restaurant, on the grounds of the Raceway, has announced special post-race prices on beverages with food service until the 2 a.m. closing time. Racing slides will be presented in the lounge. The special priced beverages are offered Friday nights only.

You can save money when buying electrical appliances. When choosing between two models of equal capacities, compare the wattage on the serial plates. The one with the lower wattage is less expensive to operate.

Youngsters Win Savings Accounts In Poster Contest

Two grand prize \$25 savings accounts for one boy and one girl, donated by the State Bank of Antioch, were awarded to Theresa Bicanic, fifth grader at Grass Lake school and Alex Apostol, sixth grader at St. Peter's school, in the "Shoplifting Poster for Crime Prevention" contest co-sponsored by the Antioch Chamber of Commerce and the State Bank of Antioch.

Entries submitted by children in grades one through eight were judged by Jane Craner and Sue Towns, art instructors at Antioch High School.

In conjunction with an intensive anti-shoplifting campaign sponsored by the Chamber, a movie, "Shoplifting - It's a Steal," and a discussion about shoplifting and its consequences was held at the high school and all Antioch grade schools, in addition to the poster contest.

Eight \$5 State Bank savings accounts (one winner in each grade level) were also awarded to: Danny Vineyard, first grader at Channel Lake school; Holly Taylor, second grader at Antioch Grade school; Sonja Tiegs, third grader at Faith Lutheran school; Laura Oilschlager, fourth grader at Oakland Grade school; John McCarthy, fifth grader at Oakland; Michelle Patts, sixth grader at St. Peter's; Heather Kufalk, seventh grader at Antioch Upper Grade School; Jim Pratt, eighth grader at St. Peter's.

Winning posters are now on display in the State Bank lobby through June 5.

Drivers Return to Waukegan on Friday

Sunday's night's scheduled late model stock car races at the Waukegan Speedway were cancelled due to cold weather and a blustery wind off Lake Michigan.

Rain checks issued Sunday night will be good for the next two weeks at the Speedway.

Last year the Sunday before Memorial Day was one of the warmest nights of the year, however, the weather did not cooperate Sunday with the temperature already in the low 50s during the warm-up period.

Racing this weekend will start on Friday night with a hobby variety program. The late models and hobbies compete on Saturday and a 50-lap late model race is slated Sunday night.

Monday will be used as a rain date if necessary.

Friday's first special night of the year will be the popular "Four-Star" variety card with hobby, powder puff and Beat-Your-Neighbor races plus the season's first destruction derby.

The increased purses for Friday's card and Sunday's classic are expected to draw banner fields. Time trials start at 7:15 all nights with the first race at 8 o'clock.

The Speedway is located two miles east of the new Marriott's Great America Theme Park on Washington Street near Waukegan.

RAY YOUNG lucked into Saturday night's late model feature win at the Waukegan Speedway after Tom Jones dropped out after building a big lead over Young.

"I'll admit I was lucky tonight," Young said after the win which was the 196th of his 22-year racing career. "But that works two ways and I've lost a few like Jones did tonight."

Jones got the lead after a fifth lap restart and was steadily pulling away from Young when the rear end broke, sending the Northbrook speedster and his white Camaro into the pits in the 15th lap.

"For cryin' out loud, Mom, can't you remember where I put anything?"

The Japanese believe that the Northeast is an unlucky direction to go to.

Upper Grade Easily Wins Track Crown

Antioch's Upper Grade School boys track team won its conference championship with ease last Saturday, piling up 70 points at the Antioch High School track.

The nearest competitor, Gavin, had only 37 points.

Principal Bill Herbst joked: "The other schools were so far behind that some of them are still running."

Individual winners for Coach Bob Lipinski's team were Greg Stevens in the discus, Eric Blanchette in the 120-yard hurdling event, Mitch Case in the 220 and two relay teams. Mark Abear set a conference record by winning the 880 in 2:18.8.

The 440 relay team included Case, Greg Stevens, Scott Petersen and Tom Tudor. The sprint medley relay team included Stevens, Tudor, Case and Robbie Rohrs.

Dan Verkeyn was second to Abear in the 880, Tudor was second in the long jump and Denis Flaschner second in the shot put.

After winning the 120-yard hurdles, Blanchette placed second in the 70-yard hurdling race.

THE ANTIOCH girls team took second in their conference meet, also held last Saturday. Coach Jim Schramm's team lost in the final event to Lake Zurich.

Antioch's winners were Carrie Corso in the 440 and 880, and the half-mile relay team of Kathy Barlow, Michele Cannon, Cindy Carney and Jenny Garland.

Kathy Barlow was second in both the long jump and the 220, while Shelly Wix took second in the shot put, Jenny Garland was runnerup in the 880.

OF YOUTH

DRINKING

Are their best friends their worst enemies?

Pressure from peers can be a prime cause of drinking problems among some adolescents. And as any teacher knows, it can be one of the most difficult to combat.

The right family values help give boys and girls confidence in their own self-worth and help them resist the influence of the wrong kind of friends.

One way to discourage irresponsibility among adolescents is to encourage responsibility among adults.

For parents of teen-agers, it is especially important to follow this principle: If you choose to drink, drink responsibly.

"Then it's agreed, gentlemen. A dollar nassau with automatic presses when two down, and no mulligans or in-the-leather gimmies on Saturday."

Antioch 12th In Track Meet

Antioch High's track team tied for 12th with Carmel in Saturday's tough district meet at Zion.

The Sequoits managed to score six points in the competition dominated by fast teams from Zion-Benton, North Chicago and Libertyville.

The best performance by an Antioch athlete was John Christiansen's fourth-place in the discus throw.

Bob Walsh placed fifth in the high hurdles for Antioch and Mike Ware was fifth in the triple

jump. Antioch's 440 and 880-yard relay teams also took fifth in their events.

Walsh ran the high hurdles in 15.5 seconds, despite losing about a half-second when he nicked one of the barriers.

Previously, the Sequoits had placed second in their conference meet. One of the highlights was a 1:59.8 half-mile by Antioch junior Bill Harland, who could be good enough next year to qualify for the state championships.

Tennis Everyone

What's America's fastest growing participant sport? It offers physical fitness along with family fun. It doesn't put your budget out of whack. It's a lot easier to learn than most people think. That's right—it's tennis!

Easy to learn? The proof is in a series of six half-hour televised tennis lessons by top tennis pro Tim Gallwey.

Based on Gallwey's best-selling book, the series demonstrates to home viewers and the on-camera clinic of 25 players—beginners through advanced—how to rediscover the same "natural learning process" that children use in learning to walk and talk.

Sequoits Close In On Baseball Title

Antioch High's baseball team was sure of at least a tie for the conference championship as it entered Tuesday evening's final game here against Stevenson.

Results weren't final when this edition went to press, but Coach Bill Seemann's "nine" had taken over the conference lead Saturday with a pair of 8-1 victories over Grant's Bulldogs.

That gave Antioch a 13-4 record in Northwest Suburban standings. A win over Stevenson would give Antioch a clear title

and Coach Seemann hoped to arrange to have his team carried through town on fire trucks.

The league's former leader, Warren, meanwhile, was losing two games at Lake Zurich last weekend.

Warren was left with an 11-5 record with two games remaining against Grant and Wauconda.

The wins over Grant gave Antioch a nine-game winning streak.

First baseman Mitch Witt and second baseman Tom McAvoy starred last Saturday, Witt with six hits in seven times at bat and McAvoy with four-for-eight.

Witt whacked a triple in one of the games. The pitchers who held Grant to one run each were juniors Keith Evanson and Dave Zitkus, who struck out eight.

Lions Honor Athletes, And They Deserve It

Individual athletes were singled out for awards, but the overall sports program at Antioch High School came in for a lot of praise Monday night.

The school's senior athletes and their parents were the guests of the Antioch Lions Club at their 35th annual banquet.

The guest speaker, Lou Henson, University of Illinois basketball coach, praised Antioch's school system and all-around success in conference sports.

Warren Polley, the school district's superintendent, introduced Athletic Director Ward Lear and said:

"IN THE last 19 years Ward has made a lot of our athletic problems minimal just by his ability to handle them."

Mr. Lear pointed out that Antioch recently won the Northwest Suburban Conference championship for overall success in all sports. He noted that during the past school year the Sequoits were second in football, wrestling, basketball and track, and also in girls softball, gymnastics and field hockey. He also noted that Coach Bill Seemann's baseball team was on the verge of winning the conference championship, and that Antioch was third in the conference in golf, fourth in cross-country and fifth with its new tennis program coached by Ron Halpern.

MR. LEAR also pointed out

that the head table was decorated with last year's first-place conference track trophy, a trophy for the sophomore basketball team's 13-0 record and another one for Loreen Singer's girls bowling team.

About 200 athletes, parents and Lions Club members attended the event at the high school. Curtis Denny served as toastmaster, Lions President Cliff Houghton welcomed the guests and Tim Sheppard, president of the school's "A" club, thanked the Lions.

Henson stressed the importance of an athlete being "sound academically and having a desire to excel, to improve and get better."

He also told brief stories of incidents in his coaching career that showed the value of attitude and loyalty on the part of athletes to their schools, coaches and teammates.

"Most valuable athletes" honored included:

Boys - Pat Houghton, golf; Bob Dubek, cross-country; Jon Bodin, football; Scott Kimball, basketball, and Greg Nordstrom, wrestling. Also, Mike Jones for track in 1975 and Mike Perrone for baseball in 1975.

Girls - Margaret Bessette, field hockey; Lee Ann Kmiecik, tennis; Chris Wix, volleyball; Barbara Quinn, bowling; Lu Ann Oddsen, basketball, and Cindy Brown, gymnastics. Also, Kim Case for softball and Julie Ellis for track.

Allendale Open House

The Allendale School in Lake Villa will hold an open house on Saturday, June 12, at 2 p.m. to celebrate America's Bicentennial. (Rain date Sunday, June 13th.)

The day's activities will include a flag raising ceremony by the Lake Villa VFW, commentary by Bill Brook, chairman of the Antioch Bicentennial Commission, a revolutionary battle re-enactment, and music by the Antioch-High School band.

Also to be featured will be a salute to the village of Lake Villa on its Diamond Jubilee and the attendance of state and local representatives.

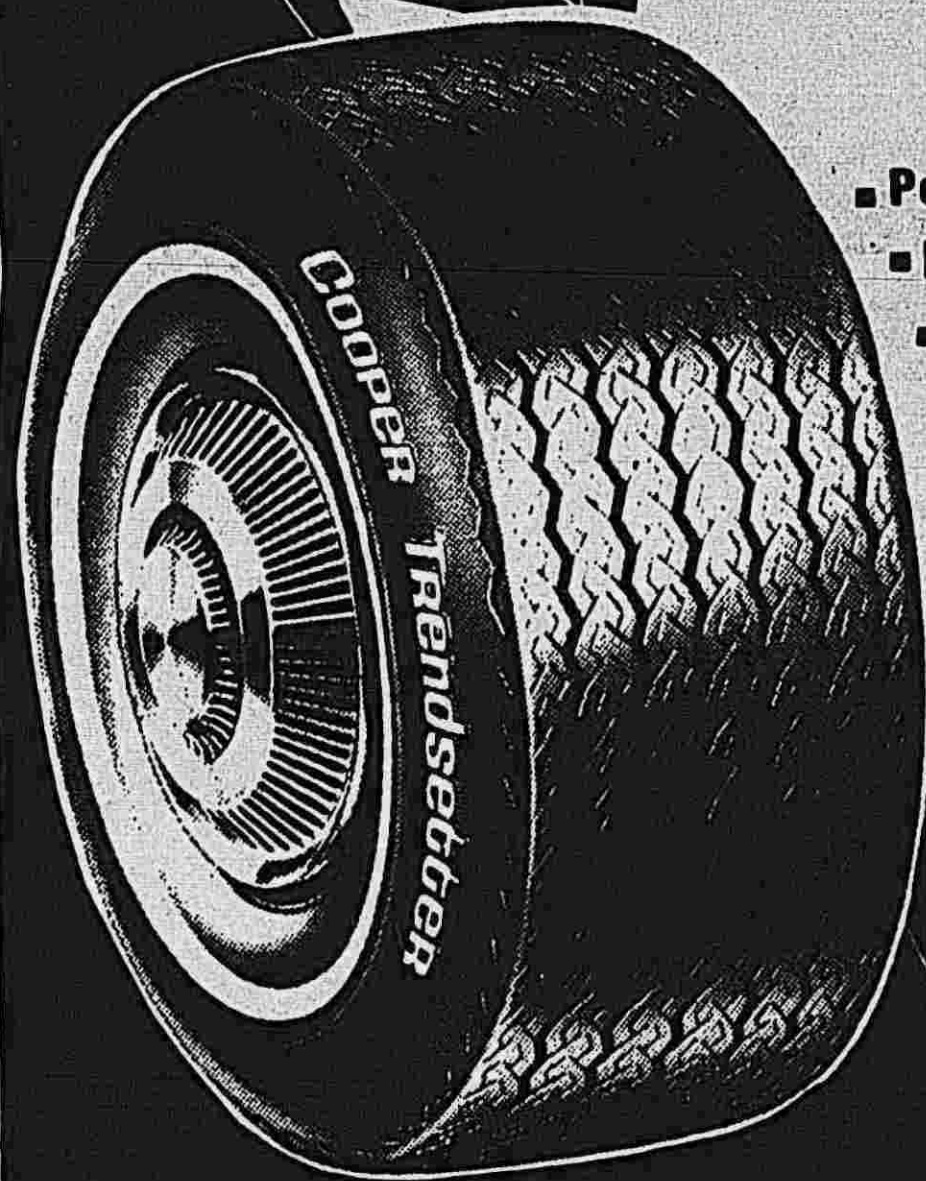

The activities will be followed by an outdoor chicken bar-b-que with all the trimmings. The cost will be \$1 per person.

The third annual Allendale Art Fair will be held at the same time in the gym, 2 p.m. to 5 p.m. As usual a silent auction will be held.

"Everyone is invited to attend and join Allendale in celebrating our nation's 200th birthday," said Wayne E. Parthun, director of development and public affairs at Allendale.

FACES IN THE CROWD -- Antioch's Little League baseball players are inspired by the fans who come out and cheer them on. We think the fans should be rewarded, and so does the Rittenhouse & Embree Lumber Co., which is awarding a \$10 gift certificate to the man to whom the arrow points. He can pick it up at the Antioch News, 950 Main St., on Thursday or later.

THIS YOUNG LADY didn't know her picture was being taken by our telephoto lens, but she was one of the "faces in the crowd" at the Little League park and will receive a \$10 savings account at the First National Bank of Antioch. If she stops at the Antioch News, 950 Main St., Thursday or later, we'll make the arrangements.

DEPOLLUTE

When you brush your teeth, don't turn on the water until you're really ready to brush. In the shower, get wet, turn off the water, lather and scrub, then rinse.

DEPOLLUTE

Use a hand lawn mower. Let the grass grow two weeks instead of one.

DEPOLLUTE

If you accumulate coat hangers, don't junk them; return them to the cleaner. Boycott a cleaner who won't accept them.

Avoid disposable diapers if possible. They may clog plumbing and septic tanks.

UNFOUNDED Fears

People were once so afraid that automobiles would drive horses off the road that they proposed laws like this one: if a horse balked at passing a car on the road, the auto driver would have to take his car apart and conceal it in the bushes.

People in England were once afraid to eat eggplant. John Gerard summed up the feeling in his book on vegetables written in 1597: "Eggplants have a mischievous quality, the use whereof is utterly to be forsaken."

Although some people are afraid that nuclear power plants are dangerous, 31 eminent scientists, including 11 Nobel prize-winners, have come out with this statement: "We can see no reasonable alternative to an increased use of nuclear power to satisfy our energy needs."

When a person is so irrationally afraid of something that he cannot function normally, he is said to have a phobia. Some common ones include acrophobia, the fear of heights, and cardiophobia, the fear of heart disease.

JUDY PHILLIPS spent this past weekend celebrating her May 22 birthday. On Friday she was guest of honor at a surprise party hosted by Jeannine Leonhart. Among the guests who greeted a very surprised Judy were Mary Muresan, Pearl Roach, Donna Hynes and son, Greg, Sue Green, Loretta Schiffmann, Barb Johnson and daughters Darlene and Elaine, Mabel Lou Weber and son Jim, Kathy Langhof, and Jenny Jo Leonhart. It was a lovely afternoon and one Judy is sure to remember.

On Saturday the birthday lady was joined by her husband George, Arnold and Mabel Lou Weber, and Cliff and Joan Freeman in a dinner celebration at Andre's Steak House in Richmond.

Sunday, George and the Phillips children, Steve, Mark and Ann, hosted a birthday picnic in Judy's honor. Among the party-goers who enjoyed some rousing volleyball, chilly weather, and Chef Bob Dow's outdoor cooking were Joan and Cliff Freeman and children Connie and Paul, Arnold and Mabel Lou Weber and sons Joe and Jim, Joe and Jeannine Leonhart and daughter Jenny Jo, and Judy's sister Betty, her husband Bob Cliff, their daugh-

ter Sandy, and Sandy's friend, Bill, who came from Rockford for the celebration.

Also celebrating birthdays at the Phillips' picnic were Joe Weber who turned 12 on May 19 and Sandy Cliff who turned 22 also on Saturday. All in all, Judy really celebrated her birthday royally this year.

BELATED HAPPY birthdays go out to Bridget Mazzio and

Otto Burg who celebrated May 25. Best wishes to Jim Weber who will turn 10 on June 1.

Get well wishes are in order for three of our residents - Drue Syria, Dorothy Purfeerst in St. Therese Hospital, and Joan Olson who broke her foot this past week. Hope you'll all be up and around real soon.

See you at tonight's meeting, 8 p.m. at the State Bank.
